Dear Sir:- The day after you called at our office and told us that Mr. Borello, your tenant, had insured the property, which was insured here, in your name, in another company, and advised us to write to him, - we wrote him, asking if he wished to cancel the policy in this company, and stating that if so, to notify us at once, and send the \$1.30 due on the policy in this company up to date, Dec. 15. We have not heard from him, so, at your request, we will cancel the policy. Kindly advise us as the property is still in your name; and we are anxious to close all our 1921 accounts before December 31st. When our Directors meet. I feel sure Mr. Borello does not fully understand about having the policy in this company. -

Respectfully
